

NPMHU 2014 Organizing Campaign  
New Member Sponsor Form  
Submission Deadline Extended through April 15, 2014

The NPMHU 2014 “Join the Union – Join the Fight” membership organizing campaign provides the opportunity for NPMHU representatives and existing NPMHU union members to serve as organizers to recruit non-member mail handler craft members to join the NPMHU. Consistent with the terms set forth below, the recruitment of certain non-members will qualify the organizer to apply for a \$50 bounty payment from the National Office.

To qualify for the bounty payment, the organizer must sign up an NPMHU non-member (using a Form 1187 – Authorization for Deduction of Dues) who was hired into the mail handler craft prior to September 1, 2013 (and that non-member may not have already had a signed Form 1187 dues deduction authorization pending processing).

To apply for the \$50 bounty payment, please complete the following information, and submit the form to the NPMHU National Office. The completed form must be received at the National Office no later than April 15, 2014.
