This provision shall apply regardless of whether the election is conducted by this Local Union or by an outside organization or agency.

G. Each candidate shall be entitled to inspect the list containing the names and last-known addresses of all regular members of the Local Union employed by the Postal Service **(or other employers)** once within the 30-day period preceding the mailing of the ballots. The right to inspect shall not include the right to copy, but does include the right to compare the list with any personal list of members.

H. Each candidate or slate of candidates shall be entitled to send uncensored campaign mailings at his/her or their expense utilizing any special mailing privileges available to the Local Union. All candidates shall be treated equally with respect to the expense of such mailings which shall not exceed the actual cost incurred by the Local Union to handle the mailings.

I. Any group of candidates running as a slate shall be entitled to be identified on the ballot as members of a designated slate provided that written notice is given by each such candidate to the Judges of Election no later than 10 days prior to the scheduled date on which the ballots are to be mailed. Each individual voter, however, must be allowed to choose among individual candidates if s/he does not wish to vote for an entire slate, and the voting instructions must specifically inform the voter that s/he need not vote for an entire slate.

J. No Union funds shall be expended, directly or indirectly, to promote or oppose any candidate for Union office. No union facilities, equipment, stationery, supplies, or the seal and insignia of the National Union or any Local modification thereof may be used to further any candidacy. No appointed employee, agent, or elected officer shall be required to support the candidacy of any individual or slate.

Section 3. Write-in votes shall not be counted.

Section 4. Rules for the Conduct Of the Election.

A. Subsequent to nominations and the printing of the ballots, but at least 16 or more days prior to the date on which valid ballots must be received, the following shall be mailed to all regular members:

1. "Notice to Members of Election of Officers of Local and Instructions to Eligible Voters" (see Appendix A),
2. A ballot for election of the Local President, Vice President, Recording Secretary, and Treasurer, as well as the State Executive Board Member (if there is only one such officer within the Local Union) (see Appendix B),
3. A ballot for election of each State Executive Board Member (if there is more than one such officer within the Local Union) (see Appendix C),
4. A ballot for Branch President where applicable (see Appendix D),

5. A secret ballot envelope (see Appendix E), and
6. A business reply envelope (see Appendix F).

7. As an alternative to subparagraphs 2, 3, and 4 above, the Judges of Election may choose to put all candidates for Local office on the same ballot, with different ballots prepared and mailed to members in different States and/or different Branches, as appropriate.

B. The return address of the business reply envelope must be that of the Judges of Election at a Post Office Box which should be rented specifically for the occasion.

C. At the deadline for the receipt of ballots, all ballots must be picked up from the Post Office Box by the Judges of Election in the presence of the Observers.

D. The Judges of Election shall thereafter proceed to check and count the ballots as follows, in the presence of the observers:

1. The name on each reply envelope must be checked against the list of eligible voters to determine eligibility.

2. The reply envelopes must be opened and segregated and all secret ballot envelopes must be mixed thoroughly to prevent any possibility of identification.

3. When opening secret ballot envelopes, the Judges must separate the Local Union Officer ballots from the Branch President ballots. A further separation will then be necessary to separate the Branch President ballots by branch and state Executive Board Members by state. To help facilitate this second separation, a white ballot shall be used for the Officers election, and separate colored ballots shall be used in each election for Branch President and state Executive Board Members. All envelopes and ballots must be preserved by the Judges for at least one year.

E. All envelopes and ballots, together with all other records pertaining to the election including marked and unmarked ballots, envelopes, voter lists, tally sheets, etc., must be preserved by the Judges at the Local's offices for at least one year.

F. The candidate for each office or position receiving the largest number of votes shall be declared elected. In the event of a tie between two or more candidates receiving the largest number of votes, a runoff election will be held among the tied candidates only.

G. Upon completion of the election, the Judges of Election shall certify the results of the election and shall promptly post a notice of the results on this Local Union's bulletin boards at each postal facility in which regular members of this Local Union are employed. Such notice shall account for the total number of ballots cast and shall state the number of valid votes cast for each candidate.

Section 5. All elected officers shall take the oath of office and be installed as promptly as practicable, not to exceed thirty (30) days, after the results of the election have been certified by the Judges of Election.

The presiding officer for installing newly elected Local Officers shall be the National President, or his/her designee.

The oath of office shall be as follows:

I, _____, do solemnly pledge on my honor to recognize and comply with all of the provisions of this Uniform Local Union Constitution and the Constitution of its parent bodies where applicable, and with all of the bylaws, rules, regulations, policies, practices, and decisions adopted in furtherance of the administration of this Local Union and its parent bodies, and to honestly and faithfully perform my duties for and on behalf of the membership of this Union.

Section 6. Post-Election Procedures

1. Protests regarding the conduct of the election shall be filed by a member in good standing with the National President by forwarding a copy of such protests to the National President within fifteen (15) days after the posting of the results of the election.

2. Decisions of the National President regarding such protests are appealable to the National Executive Board by forwarding a copy thereof to the National Secretary-Treasurer within fifteen (15) days from the receipt of the National President's decision.

ARTICLE VII - Meetings

Section 1. Membership or city meetings of this Local Union shall be held at such times and places as shall be determined by this Local Union Executive Board, except as otherwise provided herein. The Branch President of each branch, subject to the approval of the Local President, shall schedule branch meetings.

Regular members shall be provided with reasonable notice of such meetings.

Section 2. The order of business to be followed at meetings of this Local Union shall be determined by the Local Union President.

Section 3. Reasonable efforts shall be undertaken to accommodate both smokers and nonsmokers during meetings.

Section 4. Members currently detailed to a supervisory or managerial position **with the Postal Service (including any EAS position involved in discipline of employees or application of the National Agreement) or with the USPS Office of Inspector General** or the Postal Inspection Service (or as a confidential informant), shall **immediately** be prohibited from attending any meetings of this Local Union to the extent that such meetings may discuss labor-management relations, terms or conditions of employment, or other matters related to the negotiation or administration of contracts and/or the filing or processing of grievances.

ARTICLE VIII - Dues

Section 1. Application for membership shall be made on the standard checkoff authorization form. The Local President shall make appropriate application forms available to membership applicants who desire to make cash payment of dues.

Section 2. The dues of this Local Union shall be as provided in the Constitution of the National Postal Mail Handlers Union.

Section 3. Members whose dues are not paid within 90 days after such dues are payable shall be automatically suspended. Dues shall be payable by the last day of each month. Each member of this Union shall be responsible for ensuring the timely payment of his/her membership dues. A member on leave from the Postal Service for whatever reason, e.g. LWOP and disciplinary suspension, is not relieved of his/her obligation to pay dues.

Section 4. The dues of this Local Union may be increased in accordance with the provisions of Section 101(a)(3) of the Labor-Management Reporting and Disclosure Act of 1959.

ARTICLE IX - Income and Disbursement

Section 1. Sources of income of this Local Union shall be from the monthly membership dues and other proper and lawful sources. When such income is received, it shall be promptly deposited in such banks or depositories as are determined by the Executive Board of this Local Union.

Section 2. All authorized, proper, and lawful expenditures shall be made from the funds of this Local Union through checks drawn by the Local President and Treasurer.

Section 3. This Local Union shall have no more than \$100.00 in "Petty Cash" at any one time.

Section 4. All non-recurring expenditures over \$5,000 shall require the prior approval of the Local Executive Board.

ARTICLE X - Charges, Trials, and Appeals

Section 1. An officer or member in good standing may prefer charges against any other officer or member of this Local Union, but no later than thirty (30) days from the alleged date the violation occurred or became known, by filing written charges in duplicate with the Recording Secretary of this Local

Union. These charges must be signed by the person preferring the charges and indicate the provisions of the Constitution to be relied upon, or the agreement or rule alleged to have been violated and must set forth the specific violation or wrong charged and the date on which it allegedly occurred. In addition, the charges may set forth the remedy or corrective action being requested by the person preferring the charges.

Section 2. The Recording Secretary shall promptly notify the members of the Executive Board that charges have been filed. In addition, the Recording Secretary shall notify the accused or charged parties of the charges, by certified mail (return receipt requested), after which the accused or charged parties shall have thirty (30) days after receipt of the charges to respond to the Recording Secretary, in writing, on whether the charges are frivolous or procedurally defective. **This notification must include a copy of the charges and must be mailed to the accused or charged parties at their last known address.** After the accused or charged parties have had the opportunity to respond, the Executive Board shall consult and by majority vote may dismiss the charges if it determines them to be frivolous or procedurally defective. (Any member of the Executive Board who is charged may not participate in this consultation. If all members of the Executive Board are charged, the Recording Secretary shall notify the National President who shall appoint, as set forth in the second paragraph of Section 3 of this Article, three members from outside the Local Union as the Trial Board, which, after consultation, shall determine whether the charges are frivolous or procedurally defective.) If a determination that the charges are frivolous or procedurally defective is made, the Recording Secretary or the Trial Board appointed by the National President, as applicable, will provide the charging party with notice and reasons for that determination, including notification of his/her right to appeal such determination to the National President within fifteen (15) days of receipt of said notice. If an appeal is filed, the National President may affirm the determination of the Executive Board or the Trial Board, as applicable, or determine that the charges are not frivolous or procedurally defective, in which case the National President shall order the Executive Board or the Trial Board, as applicable, to schedule a hearing and trial.

When a hearing and trial are necessary, a copy of the charges shall be mailed to the accused, at his/her last known address. A written notice of the time and place where the hearing and trial will take place before the Trial Board, shall be mailed to the accused and to the charging party, not less than fourteen days nor more than twenty-eight days from the date of said hearing and trial.

Section 3. The members of the Executive Board of this Local Union shall constitute the Trial Board; except that neither the charging party nor the accused nor any member directly interested or involved in the charges may sit as a member of the Trial Board.

In such case, the Local President of this Local Union shall appoint a substitute or substitutes from the members in good standing. If the Local President is to be disqualified, then the Vice President shall appoint a substitute or substitutes and if s/he is also to be disqualified, then the substitute or substitutes shall be appointed by the remaining Trial Board member or members. After the appointment of substitutes, the Trial Board shall have another opportunity to dismiss the charges if it determines by majority vote that they are frivolous or procedurally defective. In the event that the entire Executive Board is disqualified, the National President shall appoint a Trial Board of three members from outside the Local Union which shall hear the charges and shall make a recommendation to the National Executive Board or dismiss the charges if they are clearly without merit.

Where the charging party or the accused makes a request for a delay, the Trial Board may grant a postponement, for good cause shown. Such request must be made to the Recording Secretary in a timely manner, but, absent an extreme emergency, no later than seven (7) days prior to the scheduled Trial Board date, and shall be made in writing, by certified mail.

Section 4. The hearing and trial shall be conducted in an orderly, fair and impartial manner and should assure the full presentation of all the facts to the Trial Board.

The burden of proof shall be on the charging party. If the charging party fails to appear, the charges shall be dismissed. If the accused fails to appear, the Trial Board shall proceed with the hearing and receive all the facts and evidence available.

The charging party shall first present whatever evidence s/he possesses to substantiate his/her charges. The accused shall have the right to be present throughout the trial and to cross-examine the charging party and any of his/her witnesses upon completion of their testimony.

Section 5. Both the complainant and the accused shall be entitled to make a record of the proceedings provided that such record is made available to the other, and to the Trial Committee, at cost and provided further that the Trial Committee does not, itself, make a record in which case such record shall be made available to the complainant and/or the accused at cost. In the event no transcript or recording is made, the Trial Board shall record minutes of its meetings and proceedings, and these minutes, together with any documents submitted, shall constitute the official record of the Trial Board.

Upon conclusion of the hearings, the Trial Board shall consider all of the evidence and argument submitted and proceed to make its findings and decision. The decision of the Trial Board shall be by majority vote, and shall be issued no later than thirty (30) days after conclusion of the hearings. It shall prepare a Report of said findings and decision, which shall be signed by all the members of the Trial Board. The Recording Secretary shall mail copies of said Report, by certified mail, to the charging party and the accused at their last known addresses.

Section 6. If either the charging party or the accused is aggrieved by the decision, within thirty (30) days of the notice of said action, s/he may appeal therefrom to the National Executive Board of the National Postal Mail Handlers Union. Such appeal shall be addressed to the National Secretary-Treasurer in writing and shall set forth in specific detail the grounds on which it is based. The appeal may also include any argument in support thereof which the appellant desires to advance. The National Secretary-Treasurer shall transmit to the opposing party a copy of the appeal and such party shall have a period of fifteen (15) days from receipt to reply thereto. Neither party with respect to their arguments shall include any new evidence.

After notice of such appeal from the National Secretary-Treasurer, the Local Trial Board shall then submit promptly to the National Secretary-Treasurer the following:

1. Copy of the charges;
2. Copy of the notice for hearing;
3. Record of the Trial Board hearing;
4. Copy of Report of the Trial Board; and
5. Copy of notification of the Trial Board's decision.

The National Executive Board shall make a decision based on the record. The decision of the National Executive Board shall be by majority vote of those participating and shall be final and binding unless changed on further appeal. The decision of the National Executive Board shall contain the Board's findings and conclusions. The National Secretary-Treasurer shall furnish a copy of the decision of the National Executive Board to each party to the appeal by certified mail.

Section 7. If the charged or charging party believes that any officer has failed to fulfill his/her duties and responsibilities under this Article within a reasonable period of time, such party shall request that the National President conduct an investigation of the officer's failure to act. If after the investigation has been made, the National President determines that officer has not properly fulfilled his/her duties and responsibilities under this Article, s/he shall order the officer to take such action as is required by this Article. If the officer still fails to fulfill his/her duties and responsibilities, the National President shall then appoint a trial board of three members from outside the Local Union which shall hear the charges and shall make a recommendation to the National Executive Board which shall make its decision on the charges.

ARTICLE XI - Constitutional Amendments

This Uniform Local Union Constitution shall be subject to amendments at the National Convention of the National Postal Mail Handlers Union. Between such National Conventions, amendments may be enacted by the

National Executive Board with the approval of two-thirds of the Local Presidents, subject to review at the next National Convention.

ARTICLE XII - Local Union Bylaws

The Local Union Council shall formulate the bylaws of this Local Union. However, such bylaws shall be effective only after written approval by the National President. Such bylaws shall not conflict with this Uniform Local Union Constitution, or the National Postal Mail Handlers Union Constitution.

ARTICLE XIII – Exhaustion of Remedies/Appeals

Except as provided by applicable law, no member of this Union or of any subordinate body thereof shall bring or cause to be brought in any court, whether in law or in equity, or before any administrative agency, any action against LIUNA, the National Union, this Union or any of their subordinate bodies, or the officials, employees, or representatives thereof, in any matter involving rights or obligations which are remediable within the framework and internal processing of this Union without first having exhausted all such internal remedies.

ARTICLE XIV - Savings Clause

If any provision of this Constitution is declared invalid or is rendered inoperative by any competent authority of the executive, judicial, or administrative branch of a state or the federal government, the National Executive Board shall have the authority to suspend the operation of such provision during the period of its invalidity and to substitute in its place a provision which will be in accord with the intended purpose of the invalid provision.
