United States House of Representatives  
Washington, DC 20515

Dear Representative:

On behalf of the Laborers' International Union of North America (LIUNA) and our 500,000 members, I write to ask you to support H.R. 3076, the bipartisan Postal Service Reform Act, when it comes to a vote on the House floor this week.

LIUNA is very proud to have the National Postal Mail Handlers Union (NPMHU), whose members would benefit from this important legislation, affiliated with us. H.R. 3076 would repeal the 2006 mandate requiring the Postal Service to prefund its retiree health care benefits, and it would call for future members and annuitants to enroll in Medicare when eligible. The bill would also provide agreements with state, local and tribal governments to provide noncommercial services, codify six-day mail delivery, and much more to ensure the continued solvency of the Postal Service.

This bipartisan bill, supported by both labor and management, is critically needed to ensure that postal workers can continue to carry out the great work that they do every day. LIUNA asks you to vote yes on H.R. 3076.

With kind regards, I am

Sincerely yours,

  
**TERRY O'SULLIVAN**  
General President
