**P**lanning is well underway for the rescheduled 2020 National Convention, which is scheduled to take place at the Hyatt Convention, which is scheduled to take place at the Hyatt Convention Center Hotel in Denver Colorado August 8–11, 2022.

Three-hundred forty mail handlers from across the country have been chosen through the Local Union delegate election process to serve as delegates. This body will help to set the agenda of the Union for the next two years.

The theme for our 2020 National Convention is “Believe and Achieve.” This theme reflects on the importance of our craft, our faith in the value of the work we do and the many triumphs of our organization. Mail Handlers are united in our economic, political, and workplace struggles. Together, in unity, we can overcome adversities: we must Believe and Achieve!

For the (rescheduled) 2020 National Convention, the NPMHU will again feature a dedicated website that will provide news and information relative to the upcoming National Convention. The site will launch in early spring 2022 and can be viewed at [convention.npmhu.org](http://convention.npmhu.org). Please monitor the website and read the Union publications, to stay up to date on all Convention business.

Beginning in June, and throughout the summer, committees appointed by National President Paul Hogrogian will meet to review and establish a full agenda for the 2020 Convention, including possible constitutional amendments and resolutions that may be submitted for consideration by the delegates in accordance with the

requirements set forth in the NPMHU National Constitution. In addition to the traditional Constitution and Resolution Committees—and in recognition of the increasing role that the NPMHU has played in ongoing legislative issues on Capitol Hill— President Hogrogian has once again named a Legislative Committee to review and recommend the adoption of resolutions concerning legislative and political matters.
