

NPMHU PAC

2021 CONTRIBUTORS

The National Postal Mail Handlers Union Political Action Committee (NPMHU PAC) contributes to campaigns of candidates for and incumbents of Congress who repeatedly demonstrate “concern for working people and for [the] aims and objectives of the NPMHU and the entire trade union movement.” The PAC is non-partisan in its operations, and, by federal law, is financed completely through voluntary contributions from members and groups who subscribe to the objectives of the Mail Handlers PAC. Your Union needs your active involvement in contributing to the Political Action Committee to assist candidates who will work to protect the wages and benefits of all Mail Handlers. Our PAC membership is small but growing larger. Below is a list of the 2021 contributors to the NPMHU Political Action Committee. It is an honor roll of members who have contributed to the growing political power of your Union.

NEW FEATURES AND CHANGES COMING TO TSP IN 2022

Later this year, the Thrift Saving Plan will introduce new features that purport to make your TSP experience even better. You'll have more flexibility in how you access My Account, more options to contact TSP representatives if you need help, and even more transactions you can complete smoothly and securely online.

New TSP features will include:

PARTICIPANT SERVICES WHEN AND HOW YOU WANT IT

You'll have access to a virtual assistant 24/7 to help you find answers and resources. And, when you're logged in to My

Account or the new TSP Mobile App, you can connect with a TSP Representative during business hours using a new live-agent chat function.

A NEW MY ACCOUNT INTERFACE DESIGN

Your My Account interface will display your investments clearly, and the navigation menu will make it easy for you to find and use account management tools. You'll find all the functions you're used to—and several new ones—in a responsive, mobile-friendly environment.

THE OFFICIAL TSP MOBILE APP FOR ON-THE-GO ACCESS TO MY ACCOUNT

Monitor your TSP account and complete transactions from anywhere, anytime. With the TSP Mobile App, you can do just about everything you'd be able to do if you were signing in through the TSP website

MORE INVESTMENT OPTIONS

As long as your account meets certain eligibility requirements, you'll have the option to invest some of your TSP in a mutual fund window for additional fees.

WHAT'S CHANGING AND WHEN

As part of the transition to add these new features, TSP will temporarily suspend some transactions and services for a brief period in May 2022. Your money will remain invested in the TSP funds you've chosen during this time. Be sure to pay attention to TSP correspondence and check the TSP webpage www.tsp.gov in the coming months for more details.
