Dear Friends:

We are writing to solicit your financial support of Breakthrough T1D *formerly* Juvenile Diabetes Research Foundation (JDRF). Back in 1997, the National Postal Mail Handlers Union adopted JDRF as its official national charity, and we have been a proud sponsor of the JDRF Capitol Chapter's "ONE WALK" for each of the last 27 years – raising more than \$550,000! This year our walk will be held in-person with our co-workers, friends, and family members on Sunday, May 4, 2025.

We encourage everyone to get registered and participate in the Miles Towards Mission challenges leading up to the walk. You can log any miles walked in your participant center. So sign-up and get your walk on.

If you or your organization has any funds set aside for charitable contributions, we invite you to consider donating to the important research work of the Breakthrough T1D *formerly* JDRF.

If you are able to support this effort, please make your check payable to Breakthrough T1D and forward it to our attention at the NPMHU National Office. We have included a pre-addressed envelope for your convenience. All donations for this year's walk must be received by May 31, 2025.

Thank you very much for your consideration. With your help, we will find a cure for this dreaded disease.

 With warm regards,

Paul V. Hogrogian
