Dear Friends:

We are writing to solicit your financial support of the Juvenile Diabetes Research Foundation. Back in 1997, the National Postal Mail Handlers Union adopted JDRF as its official national charity, and we have been a proud sponsor of the JDRF Capitol Chapter's "Walk to Cure Diabetes" for each of the last 21 years. We will be walking in this important fundraiser with our co-workers, friends, and family members on the National Mall, Sunday, June 2, 2019.

If you or your organization has any funds set aside for charitable contributions, we invite you to consider donating to the important research work of JDRF.

If you are able to support this effort, please make your check payable to the Juvenile Diabetes Research Foundation and forward it to our attention at the NPMHU National Office. We have included a pre-addressed envelope for your convenience. All donations for this year's walk must be received by June 30, 2019.

Thank you very much for your consideration. With your help, we will find a cure for this dreaded disease.

With warm regards,

Paul V. Hogrogian
National President
